

CPA Qualifying Courses for Knowledge Assessment Exemption

University of Lethbridge

Accounting and Business Knowledge Requirement

For the CPA Professional Program, applicants are required to [demonstrate accounting and business knowledge](#). This requirement is met by passing the Knowledge Assessment. Applicants may be exempt from the Knowledge Assessment if they have completed the 45 credit hours of qualifying accounting and business post-secondary coursework.

At least one course among the 45 credit hours must have been completed within five years of admission, demonstrating recent academic engagement in the field.
