

CPA Alberta Education Foundation Board of Governors

Duties/Responsibilities

The Foundation's vision is for a dynamic Alberta education ecosystem that fosters learning excellence in business and accounting. Through the generosity of donors and Alberta CPAs, the Foundation supports accounting education for a thriving CPA profession by supporting the incubation of innovative ideas, engaging in impactful partnerships, providing funding for learners and educators, and creating connections between past, present, and future CPAs. The Foundation is incorporated under the Societies Act (Alberta) and is a registered charity under the Income Tax Act (Canada). The board holds ultimate responsibility in meeting the Foundation's requirements under these Acts.

Location

Alberta

Time Commitment

Approximately 70-80 hours per year (officers may be 80-100 hours per year) including meeting preparation time.

Three-year term (may be extended for an additional three-year term.)

Requirements

If you are passionate about learning excellence and enhancing accounting and business education, consider this unique opportunity to make a difference for the profession, students, and educational institutions!

Although all nominations are encouraged, desirable candidates will possess strong governance skills and experience, strategic planning and thinking skills, independent thinking, and a collaborative style, along with demonstrated capabilities of building relationships with potential donors. We are looking for candidates from across the province in all areas where our members and candidates currently reside, and Southern Alberta representation would be an asset.

Volunteer Interests

Governance, Post-Secondary, Fundraising and Donor Relations, Financial Literacy

There are up to two board positions to be filled for a three-year term beginning in September 2026. To nominate yourself, please complete the nomination form here:
